

# ASAB Anishinaabemowin Magazine

---

## Submission Guidelines

Anishinaabe community members and Anishinaabe language enthusiasts are invited to submit any original (not AI generated) visual and/or narrative contributions for a new **mono-lingual Anishinaabemowin publication** called Asab. Asab will be published regularly with each issue focused on a different activity or sub-cultural context not typically associated with Anishinaabe culture.

The **first issue will focus on skateboarding, snowboarding, and surfing**. Any Anishinaabe person of any age with a connection to skateboarding, snowboarding, or surfing is encouraged to contribute to our first issue! Depending on the number of contributions we receive, we may split it into multiple issues. If your submission is selected for publication, you will be sent a Visa gift card valued at \$150 CAD / \$100 USD.

Submission deadline: **March 2, 2026**.
